

# Team 5: Menu Recommendation Assistant

**Coach: Melody Hsu**

Chih-Kuang Lee

Chun-Wu Liu

Kai-Tung Yang

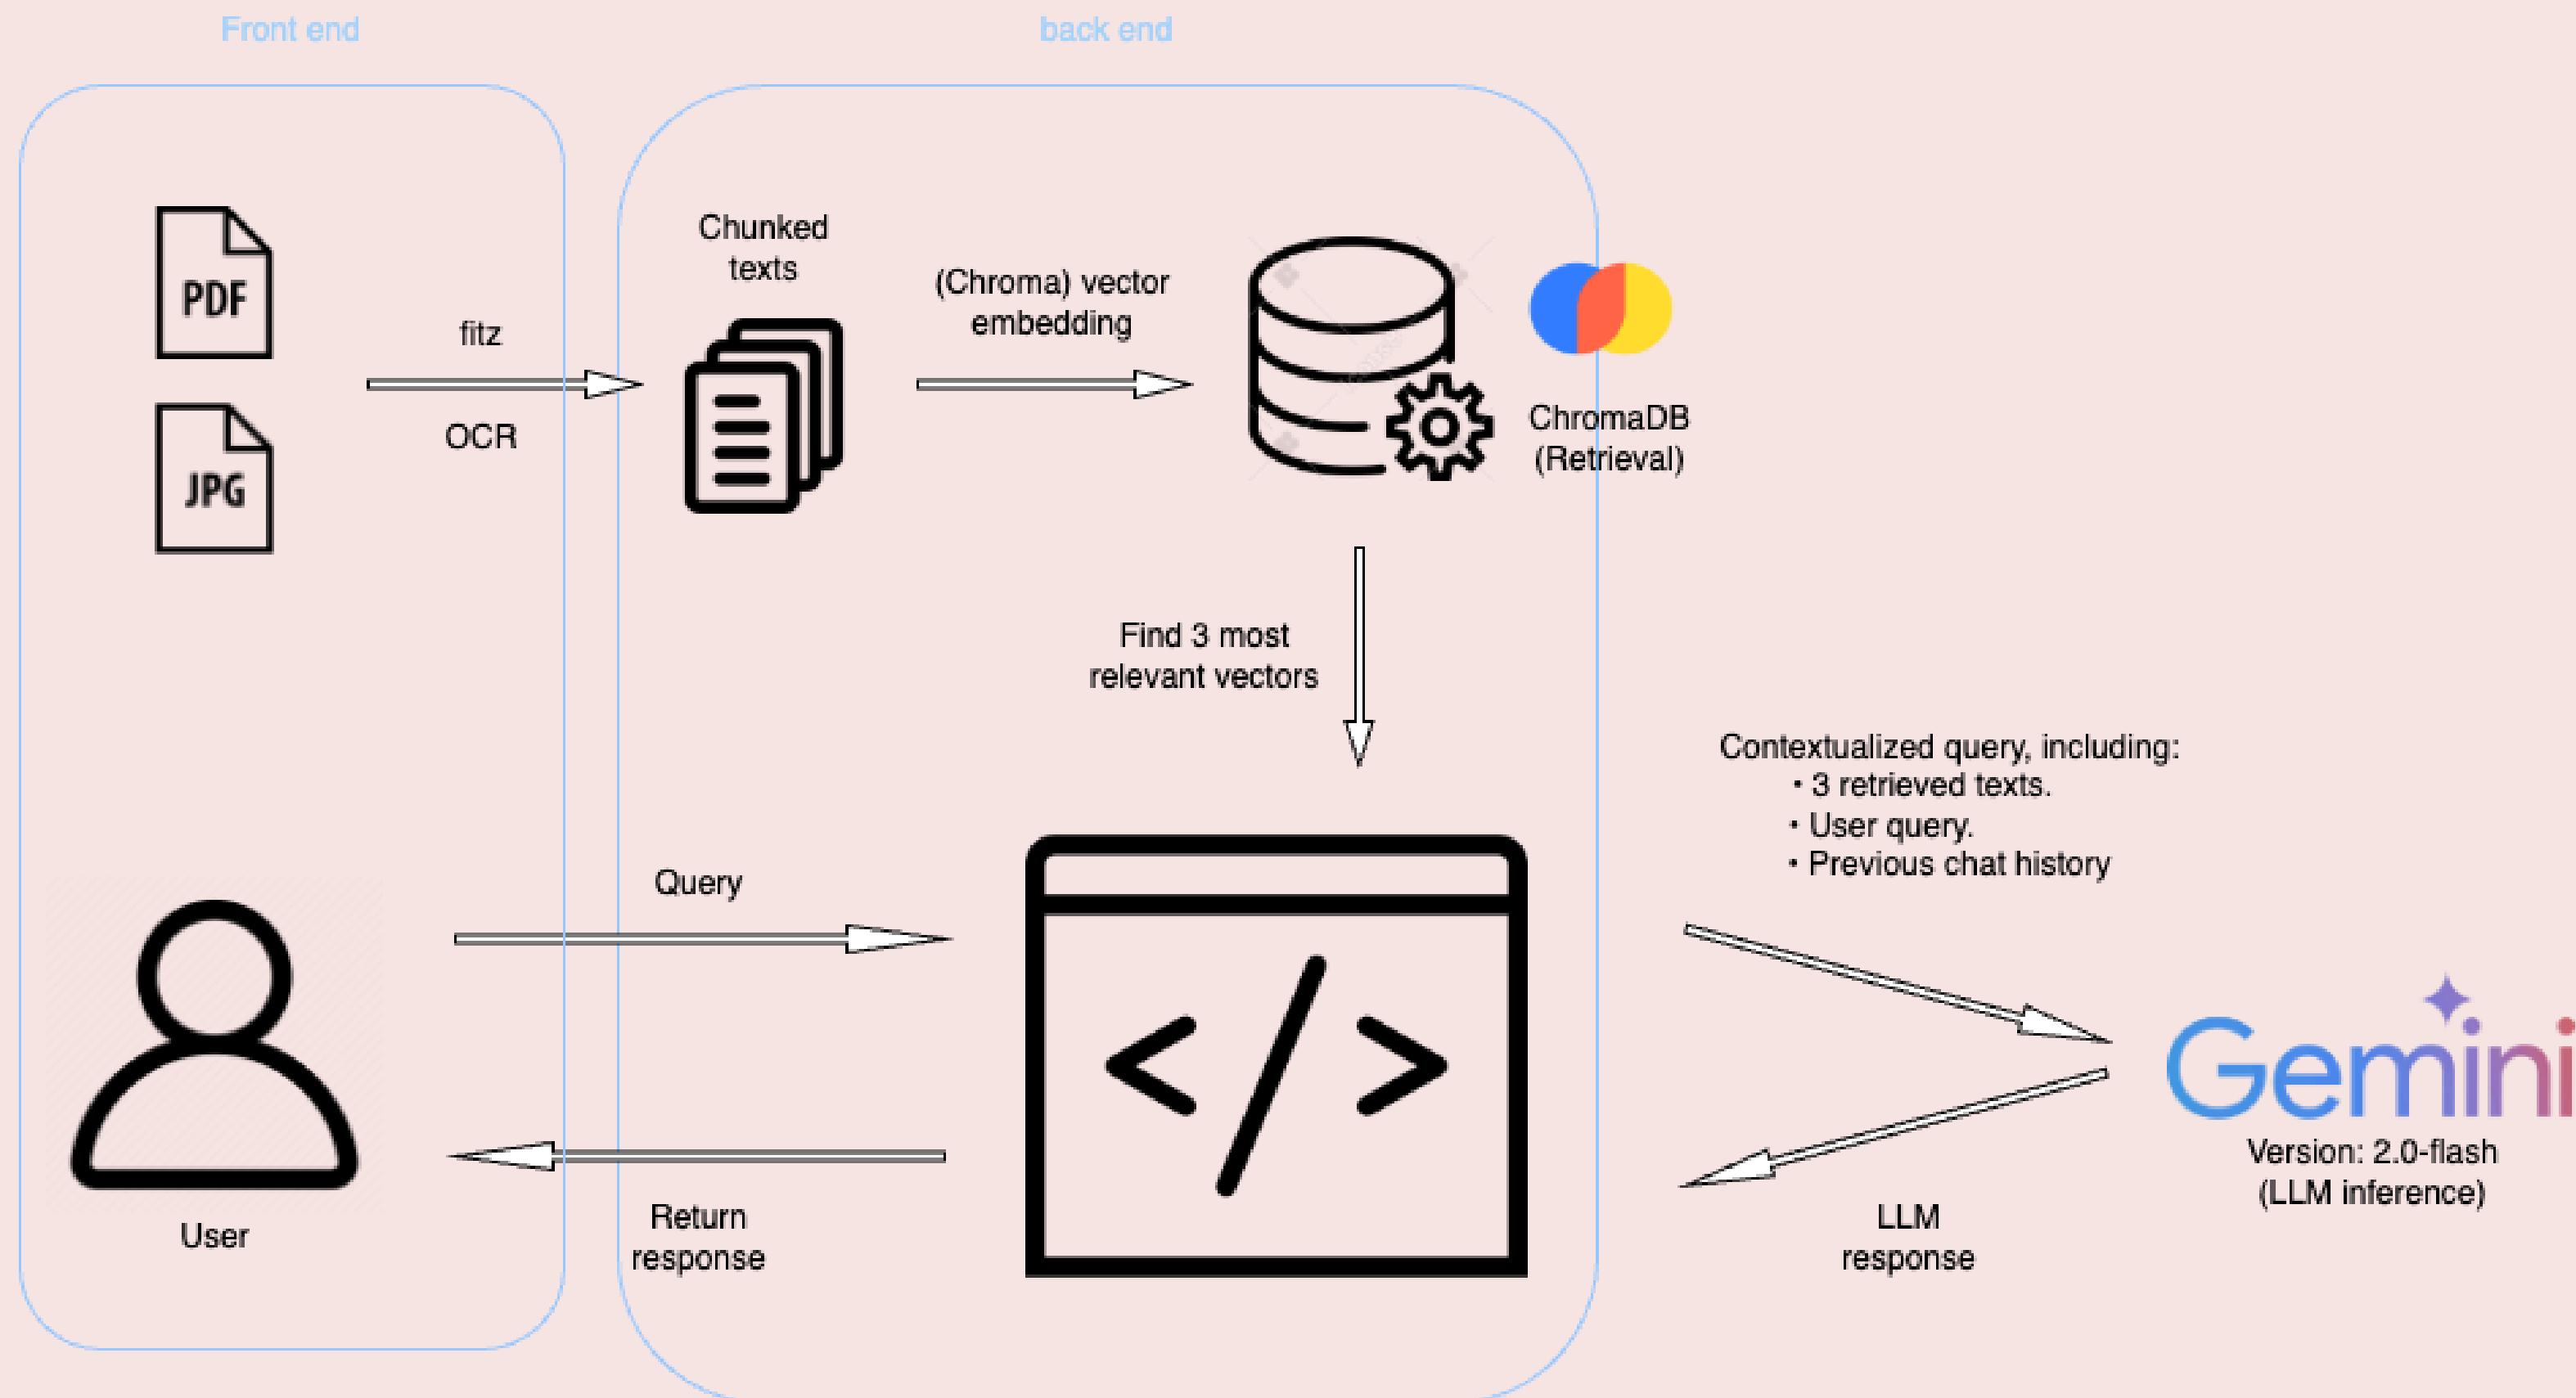

Yuanyeh Lin

# Features of Assistant

---

- Recommendation for food ordering by communicating with Assistant
- You can upload pictures of menu or pdf, identifiable for the Assistant

# How does our assistant work?

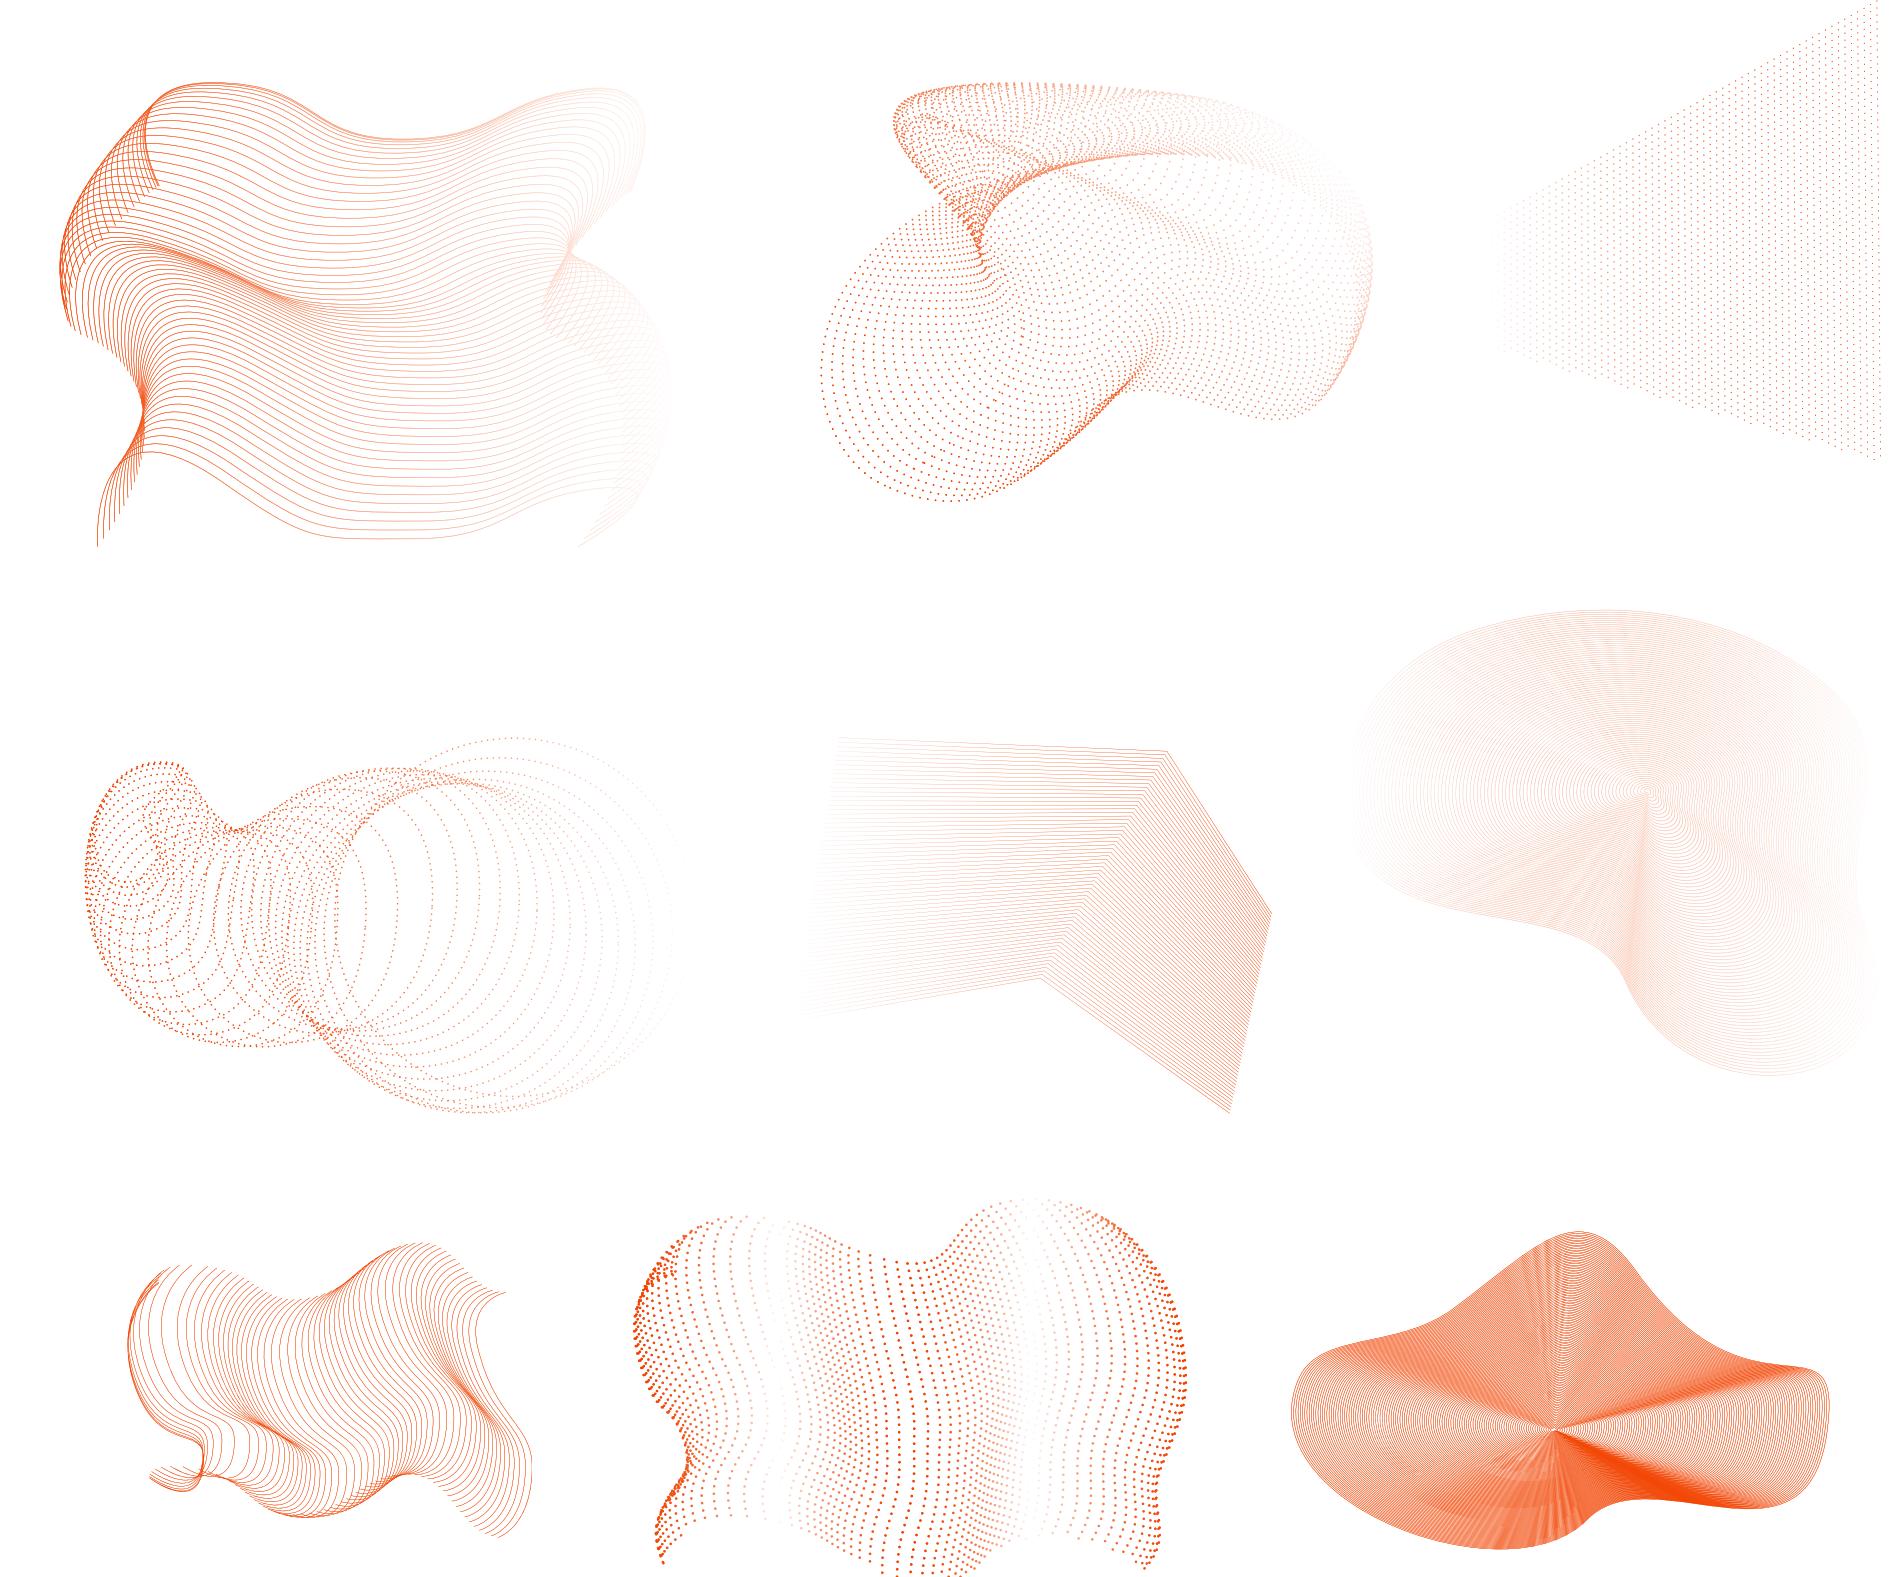

# Demo

小  
笼  
包

Welcome to Din Tai Fung,  
home of the world-famous  
*Xiao Long Bao*  
(Steamed Dumplings)

---

Each Xiao Long Bao is created with surgical precision, passing through a **40-minute** process of six different stations of hand preparation before being served.

# Challenges

## Problems

- unfamiliar with git
  - environmental conflict
- 

## Solutions

- frequent communications
- repeated experiments

# Key findings

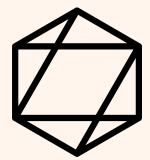

No appropriate  
standard metrics to  
assess Assistant's  
recommendation

# Evaluation

May only be  
assessed by  
customers'  
subjective feedback

# Conclusion: Summary & Future Improvement

- Can give recommendations
- Can identify words on pictures
- Future enhancement:  
Accepting URLs as input for food data extraction

# Q & A
